Scholarships are awarded on the basis of a written application, analysis of the student's reports and other academic and student application indicators; this may also include sitting for a selection test. A shortlist of the highest ranked applicants will then be established and those students will be invited for an interview.

Selection Process

1. The application is reviewed by the Principal.
2. The Principal will invite a short list of candidates for an interview.
3. The Principal will award the Scholarship based on the application, documentation of excellence and interview. The decision will be made by the Principal and no correspondence will be entered into.

Notification

1. Scholarship applicants will be notified of the outcome by mail.
2. The scholarship winners will be acknowledged by publication in the College newsletter and other College media.
